MASTERS IN MOVING FLOOR TRAILERS

A guarantee of up to 5 years on paint and construction by means of our warranty procedure

By combining skill, use of high-quality material and components as well as a very strict quality control, Kraker Trailers is able to give you, the end user, a guarantee of up to 5 years on construction and paint.

Together we will keep your vehicle in mint condition!

Kraker Trailers is committed to supplying top quality vehicles. This quality is also reflected in the support that Kraker Trailers offers you while you are using your vehicle. Together with you we are able to keep your trailer in top condition. Since early 2008, each vehicle is supplied with a guarantee certificate. When your trailer is sold within this 5 year period, the certificate will remain valid, subject to conditions. In this way you are always guaranteed of an optimum trade-in price.

Maximum operational security with minimum maintenance costs

By means of an annual test (performed by a professional service point recognized by Kraker Trailers) we will keep track of your vehicle's maintenance status on your guarantee certificate. Any aspects of your vehicle that require special attention, will be discussed with you and/or repaired as a precautionary measure, i.e. before you are confronted with a worn part leading to unnecessary repair costs or even standstill time. The result: maximum operational security with minimum maintenance costs.

MASTERS IN MOVING FLOOR TRAILERS

How does the guarantee certificate work?

5 years guarantee, how does it work?

By means of an annual test, Kraker Trailers will keep track of your vehicle's maintenance status on your guarantee certificate. This test will take place at a professional service point that is recognized by Kraker Trailers.

This periodical test allows us to take preventative measures. This, in combination with our Low Costs, Longer life! and Easy to Repair philosophies, allows us to realize a maximum operational security with minimum maintenance costs. With this annual test, you will also extend your vehicle's warranty to up to 5 years.
